

Commercial Litigators' Forum

London, New York and Moscow

The Directory

The CLF Directory of Service Providers is the only definitive and up to date list of service providers to be used by commercial litigators and international law firms in London. When urgently needing a supplier, the directory, endorsed by the GC100, is used by associates, partners and PSLs.

The Launch and Reception

2020 sees the 125th anniversary of the Commercial Court of England and Wales. Postponed due to covid-19, we hope to host our Leading Litigators Reception, with over 500 guests, including the Commercial Court Judges, the GC100, the Commercial Litigators' Forum and COMBAR at the Royal Courts of Justice, as soon as we can. The reception (and all other CLF events) are only open to Directory sponsors and provide an opportunity to meet key clients for exclusive networking and to celebrate and support the new National Pro Bono Centre.

FAQs

Non-donors

Service providers who do not wish to donate to the National Pro Bono Centre will be listed in their respective category; alphabetically and by business name alone.

Listing in Multiple Categories

We recognise that many service providers will be active across more than one category and will wish to be featured as such.

To address this, it is possible for a listing in a Non-Donor category to cross-refer to the existence of a donor listing in a Donor category. The Donor category can of course also say you are listed as a Non-Donor in another category.

For example:

- eDiscovery - Gold Donor: [*business name*] (also listed with Non-Donors on the Translation Services page).
- Translation Services - Non-Donor: [*business name*] (see our Gold Donor listing on the eDiscovery page).

Alternatively, if you wish to appear with a Donor listing in a second category such a listing can be obtained for 50% of the donation amount for that category (providing it is the same donation level as in your first category, or lower, though you are unable to get a discount on a second Diamond donation).

For example:

- eDiscovery: Gold Donor: [*business name*] (also listed as a Gold Donor on the Translation Services page). (£2,500)
- Translation Services: Gold Donor: [*business name*] (also listed as a Gold Donor on the E-Disclosure page). (£1,250)
