

Commercial Litigators' Forum

London, New York and Moscow

The Litigation Directory

The [CLF Litigation Directory](#) is the only definitive and lawyer-led list of service providers used by commercial litigators and international law firms in London. When urgently needing a supplier, the directory, endorsed by the GC100, is used by associates, partners and PSLs.

Sponsoring service providers have the opportunity to enhance their company listing; making it much quicker and easier for litigators to find them when a service provider is needed.

The Events

2020 was a resounding success for the Commercial Litigators' Forum. Despite multiple lockdowns through the year, the CLF created opportunities for the sector to meet. With a focus on networking, issues of the day and a commitment to access to justice at its heart, we hosted online events including an Autumn Reception described by attending sponsors as "the best virtual networking set up seen this year".

2021 will see the resumption of in person events. Be part of our events calendar, and ensure your presence alongside Commercial Litigators' Forum members, the GC100, Commercial Court Judges, leading arbitrators and key members of COMBAR. CLF events are only open to Directory sponsors.

Events planned for 2021 include:

- > an online Spring networking evening
- > a Summer Garden Party Drinks Reception
- > an Autumn Reception hosted in the Great Hall at the Royal Courts of Justice

Our special guests throughout 2020 included the Lord Chancellor and Lord Sumption as well as the Chairman of the GC100 and the Judge in charge of the Commercial Court, Mrs Justice Cockerill. The [CLF Committee](#) includes senior representation from every dispute resolution practice across London.

The Charity

The CLF is incredibly proud that all funds raised through the Directory and CLF events are donated directly to the National Pro Bono Centre. Centre Chairman Mr Justice Robin Knowles is a valued member of the CLF Pro Bono Committee and dedicated attendee of CLF events.

Uniquely, CLF sponsorship has business development benefits but also makes a clear and significant contribution to access to justice throughout England and Wales.

Sponsorship FAQs

Non-donors

Service providers who do not wish to donate to the National Pro Bono Centre will be listed in their respective category; alphabetically and by business name alone.

Listing in Multiple Categories

We recognise that many service providers will be active across more than one category and will wish to be featured as such.

If you wish to appear with a Donor listing in a second category such a listing can be obtained for 50% of the donation amount for that category (providing it is the same donation level as in your first category, or lower, though you are unable to get a discount on a second Diamond donation).

For example:

- eDiscovery: Gold Donor: [business name] (also listed as a Gold Donor on the Translation Services page). (£2,500)
- Translation Services: Gold Donor: [business name] (also listed as a Gold Donor on the E-Disclosure page). (£1,250)
