

Commercial Litigators' Forum

London

CLF Events

Attending CLF events is the simplest and quickest way to become well known to the best commercial litigators in London, and to identify yourself as a company that cares about access to justice. Commercial Litigators' Forum members are senior partner litigators from leading firms and they attend CLF events in significant numbers, along with their teams.

Sponsoring at Gold level and above gives you unique access to commercial litigators and clients at a range of thoughtful and engaging social events:

- A **Spring reception for over 500 guests** at the **Royal Courts of Justice**. Co-hosted with **London International Disputes Week**, this will kick off LIDW this year and everyone in commercial litigation will attend.
- A **relaxed Summer networking party on the Thames**; a really convivial way to build and consolidate relationships with commercial litigators, judges and more.
- A **thought-provoking and engaging Autumn reception** focusing on rule of law.
- **Exclusive private dinners with CLF members** hosted by firms and chambers, with a pre-agreed topic within your specialist field (necessarily limited to the leading sponsor(s) in each category or multi-category Gold sponsors only)
- Host a seminar or event of your choice with the **CLF Associates Committee**.

The highly engaged CLF Events Committee is co-chaired by Geraldine Elliot (RPC) and Richard Little (Eversheds).

CLF Litigation Directory

The CLF Litigation Directory is the only definitive and lawyer-led list of service providers used by commercial litigators and international law firms in London. The GC100-endorsed directory is used by associates, partners and PSLs and identifies not only top suppliers but those committed to supporting access to justice.

CLF sponsors receive an enhanced online listing; making it much easier for litigators to find them, and highlighting their commitment to access to justice.

Managed by the CLF Directory Committee and chaired by Richard Jeens (Slaughter and May) the Litigation Directory has an exceptional industry backing.

THE NATIONALPROBONO CENTRE

Supporting

The Charity

Unlike any other sponsorship opportunity in commercial litigation, this relationship has real purpose and meaning. All funds raised through the Directory and CLF events are donated directly to the National Pro Bono Centre.

High Court Judge of the Commercial Court and Chairman of the National Pro Bono Centre, Mr Justice Robin Knowles, is a valued member of the CLF Pro Bono Committee and dedicated attendee of CLF events.

Uniquely, involvement with the CLF has identifiable business development benefits but also makes a clear and significant contribution to access to justice throughout England and Wales in its support of pro bono.

*The GC100 strongly commends the leadership shown by this initiative;
from the commercial law firms, the commercial Bar and from the
providers of services to commercial litigation and arbitration.*

Ben Mathews, Chair of GC100, Group Company Secretary BP, March 2020

*It is a huge joy to note the contribution of the CLF to the work of
the National Pro Bono Centre. My, and the Attorney General's,
thanks go to Hilton Mervis as Chair of the CLF for galvanising this
distinguished group of individuals.*

Solicitor General, Alex Chalk KC MP, December 2021

*I was very pleased to show my support for the
National Pro Bono Centre as a Minister for the last six years.
I am obliged that the providers of services to dispute resolution show,
through their sponsorship, that they too are prepared to play their part.*

Lord Chancellor, The Rt Hon Robert Buckland KC MP, March 2020

Sponsorship FAQs

Timing

Sponsorship runs from 1 January to 31 December. Prices are excluding VAT. There is no pro rata reduction for companies that decide to sponsor late in the year. Sponsorship is always due for renewal at the end of the calendar year.

Non-sponsors

Service providers who do not wish to donate to the National Pro Bono Centre will be listed in their respective category; alphabetically and by business name alone.

Listing in multiple categories

We recognise that many service providers will be active across more than one category and will wish to be featured as such.

If you wish to sponsor a second category such a listing can be obtained for 50% of the donation amount for that category (providing it is the same donation level as in your first category, or lower, though you are unable to get a discount on a second Diamond donation).
